

The Second Annual Silver Celebration Hello, 25-year residents!

Are you ready to catch up on the stories you shared with your neighbors last year? They called last year's celebration "wonderful"; well, they'll call this one fantastic!

There will be time for "table sharing" stories, but we'll have a special time to tell funny stories and scary stories—with prizes!

We'll recognize those who have family living in another home in the Ridge.

The good food will be prepared and served by the "young ones" in the Ridge.

There will be door prizes for every table.

WHO—Members of the Huber Ridge Area Association who are 25-year residents are honored guests, but we welcome non-members (see below).

WHEN—Saturday, February 26, 5 p.m. until ?

WHERE—Blendon Senior Center, 6330 Hempstead Road.

WHAT—A full four-course dinner with a little background music.

RESERVATIONS—Because we can't spend dues money for this event, we need to ask you to subsidize this event with \$7.50 each for members of the Association and \$8.50 each for those who are non-members.

DEADLINE—Reservations with payment must be in to Tom and Roberta Conley (882-5252), 3533 Makassar, by Tuesday, February 22, so we can order supplies. Make your check out to the HRAA.

If you bring pictures, we'll have a place to display them for everyone to see.

If you need a ride, let us know. We have a team to take care of you. Come casual!

—Joya Neff, Membership Coordinator

Huber Ridge Area Is a Great Community!

Eighteen months ago, the Association had 107 member households. Today we have 176! That means more people care about our community—and show it! And it is a great community despite months of personal hardships and struggles with the "you know who" water company! We certainly are worthy of the Franklin County Treasurer's highest of four categories—that of "improving." I know that doesn't sound like much, but listen to the definition: "The stage in the life cycle of a neighborhood when growth is occurring. The time frame when a neighborhood gains public favor and acceptance, a time period in which demand is increasing." Be proud!

—Joya Neff, Membership Coordinator

Don't Forget to Save Water the Next 3 Months!

Remember that Ohio American Water will charge no more for our summer wastewater usage than the average we use during December, January, and February. By the time you get this newsletter, you will have lost December. Anyway, you can save in January and February.

OAW let us know about this benefit on our bills two years ago, but they are no longer reminding us about it. Why? **Because they hope we'll forget about it!** In case you haven't noticed, wastewater usage costs \$8.8358 a cu. ft. while water costs \$5.7412 a cu. ft. And OAW charges the same cu. ft. for each. The theory is we use more water in the summer; and because OAW charges the same cu. ft. for each, saving now will establish a lower usage of wastewater in the summer. (The savings in the summer is for **5 MONTHS**—May to September; that is a big savings.) **AND** watch your bills! Last year they **estimated high usage** on several of our February bills! Clever?

Our website, huberridge.org, and our Facebook page, Huber Ridge Area Association, had this information listed in November; check these sources often for current information.

Donley E. Strong

The Blendon Township area has many diverse businesses to meet the different needs of our community. Are you in need of personal tax service or help with allocating assets due to a divorce? Do you operate your own business and need accounting or bookkeeping services? Donley E. Strong operates his own business in our area as a Certified Public Accountant (CPA) and a Certified Divorce Financial Analyst (CDFA). Donley has been offering tax and accounting services since 1979 and divorce accounting services since 2007. He is located at 20 Huber Village Boulevard. You might wonder what the advantage is of having someone do your taxes for you. Well, Donley may be better able to find additional tax deductions since he has been doing this for 31 years. It also helps having someone nearby whom you can get to know and who understands your situation. Donley said that what he likes best about what he does is meeting people and helping them with their taxes or accounting needs or financial problems due to divorce. Clients are charged an amount based on how much time is needed to prepare the taxes or arrive at a financial solution to a particular problem. If a person would like to use Donley's services, he or she can contact Donley at 898-8299 or email him at dstrong374@aol.com. Donley's website is donleystrongcpa.com.

Those Eye-Catching Kiosks!

Did you ever wonder who is responsible for the four kiosks located on the west side of Buenos Aires at the top of the hill before Route 161, on the north side of Paris Boulevard at the intersection of Paris and Route 3, on the south side of Paris Boulevard at the intersection of Buenos Aires and Paris (near the school), and on Arnett Road near Dempsey?

Lori Mann and Sharon Ricker are the ones who keep us informed about happenings in the Ridge as we drive into and out of our community. They usually change up the signs twice a month. Lori creates the signs using the HRAA calendar to plan the content and employing the “standing meeting” sign (*HRAA Meeting Thursday, 6:30 at the Blendon Senior Center*) when there is only a meeting notice. Most of the time, Lori says, there are two events that need to be on

the sign. She thinks of something to draw attention to the event—decorating the sign with art she finds and text that fits the occasion. Lori's graphic design training comes in handy in her creations. "I want to make it readable, but it also needs to be noticed. Tasteful ... not too gaudy or busy" are the words Lori uses to describe her creations.

Lori prints the kiosk signs on tabloid (11 x 17-inch) paper, which needs to be pieced together before being mounted in the kiosks. This is where Sharon Ricker comes in. Sharon trims the six sheets that make up each sign so that the printer margin (that white, quarter-inch, no-print zone on all four sides of each sheet of paper) is removed. She then matches up the sheets; tapes them together; and, once the posters are assembled and attached to poster board, takes them to the kiosks where they will be seen by most of us. Sharon's job becomes more challenging in the winter months when the kiosks are often frozen closed!

A very special thanks to Lori Mann and Sharon Ricker who provide at least 20 signs a year for the Huber Ridge Community!

Oh! One more thing—the kiosks leak a bit and are in need of repair or replacement. If you have carpentry skills and are willing to volunteer, we would love to hear from you.

Scott Meyer Completes Eagle Project in Ridgewood Park

The newest Eagle project completed in Ridgewood Park is courtesy of Scott Meyer. The project consisted of building and installing a couple of benches in the newly created resting area at the trail head. It started out with the Township removing the dead or dying ash trees. Then it became a great spot for a tranquil place to just sit and enjoy the scenery. In addition to the benches, the area was cleared and landscaped. Mulch was spread, and shrubs were planted to complete the project.

Scott Meyer at the Ridgewood Park Trail Head

Scott has been a Boy Scout in BSA Troop 560 at Church of the Messiah in Westerville since he crossed over from Cubs in 2004. Chris and Nick, his two brothers, are also in the Troop; and his father helps as quartermaster with the Troop's equipment. Scott is a senior at Westerville North and runs on both the cross-country and track teams. His family lives in Strawberry Farms, but Scott runs the path in the Ridgewood Park woods as part of his training program. Future plans for Scott are to attend Columbus State Community College and become an EMT.

Every time Troop 560 has had an Eagle project and has been part of the annual spring cleanup, Scott has been there. "I like this park," he told me. Well, we appreciate Scott and all his planning and preparation that went into his project. We'd like to thank Cellar Lumber for donating the wood for the benches, Kurtz Brothers for the shrubs, and Kroger on Schrock Road for the lunch. Thanks to the Blendon Township Trustees and Road and Service Department for allowing the Troop to use the park and for their support in all our endeavors. We are also grateful to the scouts and adults of Troop 560 for the hard work they do in Ridgewood Park. (This is the fifth Eagle project completed by a scout from the Troop since 2006.) They have made a tremendous difference in the Park by improving its safety and beauty.

I'd like to wish Scott the best and hope you all take a stroll through the Park and enjoy all the amenities it offers.

Holiday Lights and Decorating Contest

The Huber Ridge Area Association sponsored its third annual Holiday Lights and Decorating Contest this December. Any household in the HRAA area with outside decorations was automatically entered. No registration was required.

Santa's elves toured neighborhoods making a list of the most outstanding lights and decorations. The HRAA awarded holiday baskets, which included a cash award of \$25 for first place, \$15 for second place, and \$10 for third place. The elves looked for the "WOW" factor, use of lights, and creativeness.

The contest ran from December 1 through December 14; and winners were notified, and prizes were distributed the week of December 20. Names and photographs of the winners will be published in the spring issue of *The Herald* because we went to press before the elves judged the contest. The only rule that governed the contest was that, in fairness to all, previous winners will not be considered for five years after winning their prizes to give everyone a fair chance.

Halloween Hoopla

Another great year for the Huber Ridge Area Association's Halloween Hoopla at Ridgewood Park! Many residents came out in full costume to celebrate the evening together. The kids and their parents had a great time playing the planned games and activities including trick-or-treat street and Frankenstein's relay. The hayride and costume contest were popular attractions for the whole family to enjoy. The Adams Family won this year's family category in the Halloween Costume Contest, and DJ Kevin was a big hit with all the kids who line danced in the shelter house. With over 300 residents, guests, and volunteers, the evening was full of spook-tacular excitement.

Halloween Hoopla was such a great success because of all the partners, sponsors, and volunteers. We have to thank our partners for giving their time, energy, and donations including Blendon Township, Faith Covenant Church, and Hoover Gardens. Without them, the evening's festivities would not have been possible.

A huge thank you to our local business sponsors—Bob Evans, PF Chang's, Half Price Books, Lifestyles Fitness Center, MCL, McDonald's, Roush Hardware, Shadowbox,

Neighbors, friends, and families came together and had a great time and an enjoyable evening. Several people have mentioned that they look forward to attending and helping out again next year. If you'd like to volunteer for next year's event, contact any of your HRAA representatives. Planning will begin in August 2011. In the words of HRAA President Jim Welch, "You can and DO make a difference!" Thank you.

Thank You, Members!

I recently had the opportunity to have a serious talk—well, serious to me—with a man who doesn't really want to be "part" of the Association. Now I didn't know this guy, it was in the dark while we waited for Sgt. Wayt to arrive at his retirement celebration, and I couldn't tell if he was just pushing my button—knowing that I was an avid supporter of

the Association—or if he actually meant what he was saying. So being "me," I jumped right in! I asked why; he said he didn't need it. I said he would miss so much; he just shrugged. Not to give up, I said how would he have known about this fantastic event had he not been a member; he said someone had sent his wife an email!!!! I said that was me! Because he is a member. I thought maybe I was going a little too far, so I just smiled and said I was glad he was here.

Later that week I recalled that interchange and wished I could have gotten tougher—now I wouldn't have; but I really would like to respond to the "I don't need the Association" with "Oh, but you do. AND those who are members are working for you whether you like it or not." Our members cannot all be active in many of our activities, but they are members! Some help just by paying **our exorbitant dues (29 cents a week)**! And some pay when it is a hardship because they want to help.

I don't want to think about where we would be as a community if it weren't for those who are supporting the efforts of our association.
