## Block Watch Speaker November 12<sup>th</sup>

We've all seen the horrifying headlines as printed in the Columbus Dispatch:

"Two girls arrested in cyberbully suicide case"

"Online child-predator sting leads to 44 arrests"

"Ohio teen killed self over 'sexting' of nude photos, lawsuit says"

"So far, 14 men charged with operating child pornography website"

Protecting children from these types of crime becomes all that much more difficult if they are allowed to use the internet. If you are a parent, grandparent, family member or friend of a child who uses the internet, you will find this Block Watch meeting useful.

**Save the Date: Thursday, November 12<sup>th</sup>, 6:30pm at the Blendon Senior Center, 6350 Hempstead Road.** The Huber Ridge Area Association, Inc. in partnership with the Sunbury Woods Neighborhood Watch, Blendon Township Police Department and Franklin County Sheriff's office will be presenting an Internet Safety and Awareness program. Topics to be discussed include Internet Predators, Child Pornography, Sexting and Cyberbullying. Additionally, parents will be given an overview of some popular apps and social media used by children and safety tips to keep your child safe while using the internet.

Childcare will be available during the presentation but you must reserve your spot in advance by contacting Lynn White at [Blockwatch@huberridge.org](mailto:Blockwatch@huberridge.org) or Carolyn Cordray at [President@huberridge.org](mailto:President@huberridge.org).

## Spread the Holiday Cheer

Many of us look forward to this time of year-first the football season, leaves turning beautiful colors, Halloween, Thanksgiving-such a joyful time of the year!! And some of us may have already begun planning our holiday festivities; hiding gifts away that we found on sale for wrapping later, digging out the recipes for the holiday cookies, even starting the annual holiday letter to our friends.

But while we are looking with anticipation to “the most wonderful time of the year”, many of our Huber Ridge neighbors are struggling to simply pay their bills, and look forward with dread to the upcoming holiday. How can they explain to their children that Santa can’t find their house this year? Can you imagine sitting down with your family and telling them there will be no gifts under the tree-or maybe that there won’t even be a tree?

For the third year in a row, the HRAA will be sponsoring a family through the Westerville Area Resource Ministry (WARM) for the holidays.

WARM identifies a family in Huber Ridge who needs our help this year; we are given their holiday list and with your financial assistance, volunteers shop for these gifts and take them back to WARM for distribution to “our” family. It is done completely anonymously. If you would rather personally purchase a gift, contact us and we will recommend items from the list that you can buy.

We are hoping to sponsor a “mid-sized” family, and generally we need to raise about \$600-\$700 for this venture. If each family in the Ridge would donate just \$1 we would easily exceed this goal, but in the past we have struggled to raise funds. We have made it easy to donate; there is a PayPal account on our website page, and we will also provide a link on our Facebook page. If you prefer to give us a check or cash, you can contact Dennis Overholts or Claudia Carney and we will pick up your donation. Checks should be made out to “HRAA, Inc.” with a note in the corner for “Holiday Cheer”. We will need to have the funds no later than December 4<sup>th</sup>.

We know everyone’s budget is stretched tight around the holidays, but even a few dollars will help us reach our goal. Won’t you please donate to make a Ridge family’s holiday memorable this year?

Thank you!

Dennis Overholts and Claudia Carney

## Fall Community Garage Sale

Well, the fall sale is in the history books! Some had more traffic than others but 22 made the final list that was uploaded to the HRAA Facebook page, the HRAA website and sent to *The Dispatch*. A number of last minute folks wanted to “make the list” before it went to the printer. Unfortunately they were a touch late and their sale was not on the maps that were distributed to the sale sights.

This was the third year the HRAA, Inc. sponsored along with Kimberly Sherrod, Keller Williams of Greater Columbus Realtor the Fall Community Garage Sale. If you’re thinking about having a garage sale next year, the HRAA will be organizing them again in the spring and fall. For more information email Doug Murphy at [VP@huberridge.org](mailto:VP@huberridge.org). Thank you to everyone who participated in the Fall Community Garage Sale!

## Blendon Township More Joy Run 5k

Last January a committee was formed to show support for the building of the Jane Juergens Memorial Garden. We wanted to take back our park and show the world we weren't afraid of the tragic event that took Jane's life. Since Jane was running at the time of the incident, we decided that a 5k would be appropriate and fun for everyone!

The committee joined forces with Barb Johnson, Jane's best friend, and her son Andy Juergens, to ensure a "Jane feel" to the whole event. Barb and Andy brought stories and ideas that only they would have known! They kept us on track and made sure that every detail would be "Jane approved!" Jane lived her life with as much joy as she possibly could. Her motto was "more joy." Barb and Andy found it fitting to call our 5k the "More Joy Run".

Once the idea was hatched, we partnered with Blendon Township. With the help of the township we were able to hire All Sport FUNdamentals to assist with all of the details. Things actually looked like they were coming together!

Angie Merrin and I would run the neighborhood trying to come up with the course map. We wanted to feature the neighborhood and park as much as possible! After we worked out a route, we met with the Blendon Township Police Department to make sure everything was safe and sensible. With the BTPD's approval we were able to finalize the route and the placement of officers on the day of the race. Moving right along!

Sponsors, Sponsors, Sponsors! We would not have been able to put on the 5k without the help and donations from our sponsors! Companies from all over Westerville provided: bibs, shirt donations, bananas, water, swag bags and everything in them, just to name a few. Companies also gave monetary donations to help cover costs. Again, without them, we could have never pulled it off!

### Race Day!

On August 29th, with the final count of 133 registered participants, All Sport FUNdamentals set up at the start/finish line, photo booth ready, and the committee biting their nails to make sure it all went smoothly, the countdown began! Participants began running/walking at 8:07am! All of our hard work was finally paying off! The first runner to cross the finish line lives right in Huber Ridge! Congrats to Leslie Jordan! Watching everyone return smiling and complimenting the route and hearing of the NEIGHBORHOOD SUPPORT made all of those meetings and endless email threads worth it!

I personally want to thank Angie Merrin for supporting me with this crazy idea! Angie and I are just a couple of runners wanting to show our support... and with having no experience being race directors, we took on this project together! We would have been nothing without the support of the committee: Carolyn and Eric Cordray, Barb Johnson, Andy Juergens, and Bryan Rhoads. We also would like to thank Blendon Township for being behind us 110%! Thank you Blendon Township Police Department for supplying the officers on race day and helping us with all of our traffic needs! Oliver from All Sports FUNdamentals was equally amazing and patient with us, since this was our first time! We had countless volunteers working behind the scene before, during, and after the race. Please know we greatly appreciated each and every one of you! THANK YOU to EVERYONE who participated! We couldn't have a 5k event without YOU! Thank you for coming and helping us make this a hit!

Last but not least, THANK YOU neighbors! Thank for moving your cars or taking the long way to get to/from your house! A special thanks goes out to everyone who came out to cheer for the run/walkers! Thank you for clapping, cheering, or even just coming outside to watch! It hit a heart string when the participants reported good crowd support. Thank you!

Overall, I personally think the event went great! The race company we used said it was one of the most well organized first time events they have ever been apart of, and for that, we all should be proud. I know I'm proud to have been apart of the More Joy Run. I'm proud of the hard work everyone put in. I'm proud of the participants and the neighbors. I'm proud to say that I lived in Huber Ridge!!

-Mary Gould

## Open Opportunities to Serve Through the HRAA, Inc.

Currently, the Huber Ridge Area Association, Inc. has a few openings. If you are a member in good standing (meaning your dues are paid to date) and have some time to give to your community, please consider volunteering for these non-elected positions:

**Hospitality** – This position handles sending greeting cards to HRAA, Inc. members that the association learns has experienced some of life's difficulties such as hospitalizations or death of a family member. Cards and postage are refundable through the association. Reports to the association of cards sent are required as needed.

**Membership** – This position is responsible for recruiting new members through promotional efforts such as writing articles for the newsletter, website and Facebook page. Representing the HRAA, Inc. membership at events and signing up neighbors to boost participation.

**Nominating Committee** – Annual election of officers occurs in January each year but our bylaws requires three members in good standing comprise the Nominating Committee to deliver a slate of candidates for each of the elected offices: President, Vice-President, Secretary, Treasurer and Newsletter Editor. Committee members will need to contact other HRAA, Inc. members in good standing to determine interest in running for these offices in the coming year. If you're looking for a volunteer opportunity right here in the neighborhood, these are great opportunities to get involved! Contact Carolyn Cordray at [President@huberridge.org](mailto:President@huberridge.org) if you'd like to learn more.

-Carolyn Cordray, President

## 2015 Holiday Lights & Decoration Contest

This will be the 9th year the association has sponsored a holiday lights and decorating contest. The Huber Ridge Area Association will sponsor a Holiday Lights and Decorating contest again this December. Registration is not required! All decorated houses in the Huber Ridge neighborhood will be entered in the contest. There are no categories or other stipulations. Decorated houses will be viewed in early December with winners chosen by the committee. Winners will receive a holiday gift basket and a cash prize. We look forward to seeing the neighborhood in the glow of holiday lights - and snow.

-Sharon Ricker, Contest Coordinator

## Blooms 2015

If you toured the gardens entered in this year's 2015 Blooms contest, you were treated to and no doubt pleased with the outstanding talent, creativity, and beauty our participants displayed. Watch for 2016 Blooms notifications via HRAA member emails, the spring edition of the Herald, or you can like or friend Blendon Huber Ridge Blooms on Facebook. You will find more photos of the 2015 gardens on our Facebook pages.

### Why **YOU** should be a member of the Huber Ridge Area Association, Inc.:

Strong vibrant neighborhoods don't just happen. They're the result of collective effort and hard work. You invest a lot of time and money into your home and property. Joining the Huber Ridge Area Association, Inc. is how to invest and build (Y)OUR community.

The Huber Ridge Area Association, Inc. (HRAA) brings neighbors together to create events and programs that promote a greater sense of community. Such events and programs the HRAA already has in place are:

- Blockwatch Program
- Annual Plant Swap
- Clean-up of neighborhood entrance signs
- Landscaping for neighborhood entrance signs
- Quarterly Newsletter
- Website: [www.huberridge.org](http://www.huberridge.org)
- Facebook page: Huber Ridge Area Association
- Blendon Huber Ridge Blooms Garden Show
- TWO Community Garage Sales
- Sponsor of Concerts in the Park
- Regular membership meetings
- Ridge-A-Palooza
- Sponsor Blendon Township More Joy Run
- Halloween Party in the Park
- Holiday Cheer Program
- Holiday Lights Contest

The HRAA, Inc. creates opportunities for community service in which our neighborhood children attending Westerville Schools can participate in to receive credit and fulfill this requirement.

The HRAA, Inc. has been a leader in bringing forward and coordinating efforts to impact change in issues important to residents such as water rate hikes through the PUCO and coordinating Meet the Candidate nights. We also provide a forum for residents to learn about important changes to our township such as JEDZ, Community Plan, etc.

Membership provides the funds used to bring these events and programs to the residents as well as to better communicate important matters to the neighborhood. It will also support events and projects determined valuable by our membership.

- As you can see, the HRAA, Inc. is actively involved in a range of issues that impact our community, so it is well worth the small investment of \$15 annually.
- Whether you can be an active participant or a supportive member, we need your paid membership so the HRAA, Inc. can be a catalyst for improvement in our neighborhood! The HRAA, Inc. is guided by orderly processes intended to protect and best serve the neighborhood. Membership allows your household to vote when decisions are being made – let your vote count!
- Make an investment in the future of your neighborhood, all this for a mere \$15 per year annual dues. Why NOT join? Make an active choice today to be a part of our FUTURE! Become a member of the Huber Ridge Area Association today!
- Go to our website at [www.huberridge.org](http://www.huberridge.org) and click on the "Pay Now" button to join or renew your membership.

## New Glengarry Merchants Support

Back in March of this year, two merchants relocated their businesses to Glengarry Plaza. Their old location in the commercial area across from Central College Presbyterian Church on Sunbury Road is currently in the process of transforming into new housing. The Huber Ridge Area Association, Inc. is glad to welcome them to our community! These merchants are Greg Baker of Baker's Taekwondo Center and Willie Horn of Willie's Barber Salon.

Both Greg and Willie stepped up to be proud sponsors of this year's Ridge-A-Palooza by donating gift certificates for services at their respective businesses as raffle prizes. Needless to say the winners of those prizes were thrilled to receive them. With this article we'd like to introduce and welcome both Baker's Taekwondo Center and Willie's Barber Salon to the Huber Ridge Area!

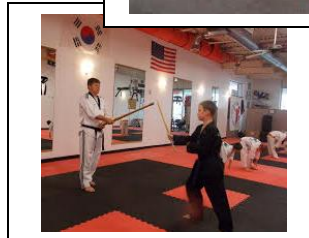

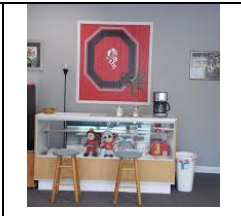

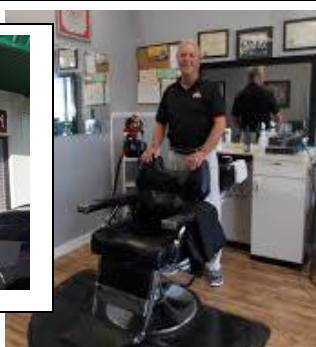

-Carolyn Cordray, President

Willie Horn has been a barber and in business for thirty-six years having graduated from barber school in 1978. He has been cutting hair in Westerville for seventeen years with all of those years having been at the Sunbury Road location. Since March he has been located in the small strip at the southernmost end of the Glengary Shopping Center. Willie's Barber Salon is located directly behind Domino's Pizza. Willie has quite a following of longtime customers who have followed him after the move; however, he cuts hair for young and old. A great deal of his business is by appointment but walk-ins are certainly welcome. Willie and a part-time barber handle all of the haircuts.

When walking into the shop you'll notice that Willie displays quite a large collection of memorabilia from The Ohio State University, featuring a large hand painted block "O" on the back wall. Interestingly, none of the OSU items were purchased by Willie, rather, his customers have brought them in over the years to help decorate the shop since they know Willie is a big OSU football fan! For more information please contact Willie at (614) 882-2885 or stop in Tuesday through Friday 9am to 6pm or Saturday 8am to 3pm. Willie can also be found on Facebook.

Greg Baker is an Olympian. He was awarded the bronze medal in Taekwondo during the 1988 Seoul, Korea summer Olympics in addition to being National Taekwondo champion nine times and elected the Olympic Development Coach of the year in 2000. Greg's Taekwondo Center embodies his champion spirit by not only training on the karate techniques but also by promoting development of character, good work ethic and ultimately building confidence in his students. Clearly a successful strategy as Greg has taught students who have gone on to win National and World Championships.

Students can begin training at the Baker Taekwondo Center as early as 5 years old in private or group lessons. It's never too late to benefit from the great exercise, stress relief, improved flexibility, focus and concentration that come from learning karate. At the Baker Taekwondo Center though, earning belts is tough so expect a great sense of satisfaction of achievement through hard work. For more information contact Greg at (614) 865-8721.

## WARM has a new location

When the Westerville Area Resource Ministry (WARM), began in 1972, few would have guessed the impact it would have on the community in the years to come. What began as a vision of volunteers who were members of St. Paul's Catholic Church to help families in need with food, clothing and emergency financial aid has now become a strong pillar of Westerville; a place where individuals or families who need help are given a hand up; not a hand out.

As a result of that growth, WARM moved from their 175 E. Broadway location of 7,000 square feet, to its present location at 150 Heatherdown, with roughly 42,000 square feet, in July of 2014. Recently WARM held its formal grand opening to share its wonderful new home with the public. The new accommodations have allowed WARM to expand their services, and with a large warehouse area and dock, take advantage of buying in bulk to reduce costs and provide more products for their clients.

Clients of WARM meet with life coaches at each visit, and are able to shop in the pantry twice a month. The meetings with coaches are to assess any other needs a client may have to help them reach self-sufficiency goals, such as financial planning (spending plans, guidance with avoiding foreclosures or help with deferring student loans), or employment (resume and cover letters, mock interviews, etc.). One coach specializes in helping the senior citizens in our community who are struggling to live on meager pensions.

Recently, WARM and the Share Bac a Pac program announced their collaboration in the mission to provide food to Westerville students who are at risk of hunger on the weekends. Share Bac A Pac was created with one goal in mind – to make sure that no child goes hungry. Approximately 4,530 of the total 13,480 students in the Westerville School district qualify for this program. The new facility provides the space and combining resources will help the program grow as the need for it continues to rise.

If you have a chance to tour the new facility, by all means take the time to do so. It is a strong testament to what a few volunteers, a strong church community, faith, love and commitment to help our own can do and be for folks in Westerville who are trying to help themselves.

## Blendon Township Central Cemetery

Linda Harter, a Westerville resident, joined Blendon Township in May 2004. She holds dual responsibilities; Administration Assistant and Cemetaryian.

The Blendon Township Trustees are responsible for the care and control of Blendon Central Cemetery.

The reason it has been called "Central" Cemetery is because it is located at the geographic center of the original Blendon Township. There is a metal box buried at the corner of Dempsey and Hempstead, the geographical center that contains the original surveyor's stone.

In 1976, a Military Roll of Honor was interred at the cemetery. There is a list of over 100 veterans. Also, 160 badly weathered markers were restored.

Land for the cemetery was donated by Timothy Lee and Edward Phelps, Sr. in 1829. Many historical persons are buried on the grounds.

In 2011 we acquired the mausoleum and chapel. There are 13,000 gravesites at this time with 7,500 left. Families can now purchase private mausoleums for family members. You may call the cemetery office for information concerning rates.

We are indeed proud of our beautifully kept cemetery.

## Faith Covenant Church

Faith Covenant Church is located at 3607 Dempsey Road and first opened its doors in March 2000. Pastor Tim Heintzelman has served his congregation for the past 17.5 years. The first 2.5 years was at a different location. The Associate Pastor, Kevin Diamond, came to Faith Covenant in the fall of 2007 and is now in his 9<sup>th</sup> year. The pastors live on the premises. The congregation consists of 40% Blendon Township residents. Worship is at 10:15am every Sunday with approximately 180 adults attending.

Their unique Vacation Bible School referred to as "Adventure Week" is held every year in June. Approximately 175-200 children attend.

Faith Covenant Church members have been of tremendous help to the Huber Ridge Area Association, Inc. We are very grateful that they partner with us to host Ridge-a-Palooza year after year.

- Almina Smock-Weibell, HRAA Historian

## Grace Baptist Church

Pastor Craig Malcolm has been a pastor at Grace Baptist Church since 2013 and is now the 7<sup>th</sup> pastor of the church on Paris Blvd. His wife, Marilyn, serves as the secretary. Their two children have been members since 1980. There are approximately 300 members at the church.

- Almina Smock-Weibell, HRAA Historian

## National Night Out

Sharon Ricker and Tom and Almina Weibell are Block Watch Representatives all residing on Oslo Drive. For the past several years they have taken turns hosting National Night Out. The Weibell Family hosted this year on Tuesday, August 4<sup>th</sup>.

The weather was perfect and we had a terrific turnout! We even had three firemen, four Blendon Township police officers, all three trustees, and our township cemetarian.

The children enjoyed exploring the fire engine while the adults discussed a variety of important issues. Hot dogs, snacks and cold drinks were available. Perhaps there was such a good turnout because Sharon Ricker made homemade ice cream and cookies! It was a great evening and I would encourage you to step out and get to know your neighbors too.
